

Crochet Make Up Remover Pads

Materials

1 ball of Countrywide Soft Cotton DK – makes 24 pads
4.00mm Crochet Hook
Wool sewing up needle

Using a size 4.00mm hook, make a magic ring and work 6 double crochet into the ring, slip stitch into first double crochet.

3 chain, one treble into the first double crochet, 2 treble into each double crochet to the end, slip stitch into 3rd chain.

Repeat last row and fasten off. Sew in the ends.

Great to use these to apply toner, remove eye makeup, etc. Use them instead of the cotton wool makeup remover pads. They're machine washable - just throw them in a little mesh bag so they don't get lost in the washing machine/dryer.
